International Association for Applied Econometrics

Call for Papers

IAAE 2017 Annual Conference
International Association for Applied Econometrics
Conference

Hokkaido University, Sapporo, Japan, June 26-29, 2017

Following the success of the past three Annual Conference of the International Association for Applied Econometrics, our Fourth Annual Conference will be locally organized by Hokkaido University, and held at [Hotel Emisia](#), Sapporo, Japan, on June 26-29, 2017.

The main aims of IAAE are to advance the education of the public in the subject of econometrics and its applications to a variety of fields in economics, in particular, but not exclusively, by advancing and supporting research in that field, and disseminating the results of such useful research to the public.

The IAAE conference brings together leading researchers in the field and is a major forum where all aspects of econometrics (theory and practice) are discussed and debated.

Logistics

The conference will be hosted by Hokkaido University and held at [Hotel Emisia](#), Sapporo, Japan, on June 26-29, 2017.

For further logistic information, please contact Yukiko Abe iaae.2017@gmail.com, or visit the local organizers' website at <https://iaae2017.org>.

Full Paper Submission Procedure

Authors are invited to submit theoretical and empirical papers on the suggested topics (submission of abstracts or synopses will not be accepted). Papers will be evaluated and selected by the committee members in their specific area.

Papers should be submitted electronically (pdf only) no later than 11:59 pm ET, February 1, 2017 to:

https://editorialexpress.com/cgi-bin/conference/conference.cgi?action=login&db_name=IAAE2017

Authors should specify if they are or not willing to present their paper in poster sessions or only in regular sessions.

Student Submission

Graduate students should indicate so when they submit their papers to the IAAE Conference, on the Conference Maker site, as this will make them eligible to receive travel sponsorship *on a competitive basis*, and to participate in the Student Prize contest.

Student Prize

The IAAE will award a 500 USD prize for the best paper presented by a graduate student in a regular or poster session. To be eligible, candidates' paper submissions should be followed up by a letter from a professor certifying that the submitter is a graduate student in good standing. *Papers co-authored with senior economists will not be considered.* The paper should be submitted at the conference website. The letter should be submitted electronically to Marcelle Chauvet at enquiries@appliedeconometrics.org. The subject line must be *2017 IAAE Student Prize Award*. The winner will be announced during the conference.

Registration

Conference details will be posted on the IAAE's website:

<http://appliedeconometrics.org/>

and at the conference website: <https://iaae2017.org>.

The registration fee to attend the conference before 11:59 pm E.T. April 17th is:

Non-member of IAAE: 350 US dollars

Regular member of IAAE: 200 US dollars (registration to IAAE: 100 US dollars)

Student member of IAAE: 140 US dollars (registration to IAAE: 40 US dollars)

Member of Scientific Committee: 200 US dollars (and 1 year free registration to IAAE)

On April 18th the fees will increase substantially, so we encourage you to register by 11:59pm E.T. April 17th, 2017. Your place in the program will be confirmed only after we have received your registration, and your paper will be withdrawn if we have not received your payment by 11:59pm E.T. May 1st, 2017. Registration can be done online and fees are payable in dollars.
