

IAAE 2016 Annual Conference

International Association for Applied Econometrics

Call for Papers

IAAE 2016 Annual Conference
International Association for Applied Econometrics
Conference

University of Milan-Bicocca (Italy), June 22-25, 2016

Following the success of the last two Annual Conferences of the International Association for Applied Econometrics, our Third Annual Conference will be held at the University of Milan-Bicocca in Milan (Italy), on June 22-25, 2016.

The main aims of IAAE are to advance the education of the public in the subject of econometrics and its applications to a variety of fields in economics, in particular, but not exclusively, by advancing and supporting research in that field, and disseminating the results of such useful research to the public.

The IAAE conference brings together leading researchers in the field and is a major forum where all aspects of econometrics (theory and practice) are discussed and debated.

Logistics

The conference will be hosted by the University of Milan-Bicocca in Milan (Italy), on June 22-25, 2016, and it will take place at the University campus.

For further logistic information, please contact Claudio Morana at IAAE2016@unimib.it, or visit the local organizers' website at www.iaae2016.info.

Full Paper Submission Procedure

Authors are invited to submit theoretical and empirical papers on the suggested topics (submission of abstracts or synopses will not be accepted). Papers will be evaluated and selected by the committee members in their specific area.

Papers should be submitted electronically (pdf only) no later than February 1, 2016 to:

https://editorialexpress.com/cgi-bin/conference/conference.cgi?action=login&db_name=IAAE2016

Student Submission

Graduate students should indicate so when they submit their papers to the IAAE Conference, on the Conference Maker site, as this will make them eligible to receive travel sponsorship on a competitive basis, and to participate in the Student Prize contest.

Student Prize

The IAAE will award a 500 USD prize for the best paper presented by a graduate student in a regular or poster session. To be eligible, candidates' paper submissions should be followed up by a letter from a professor certifying that the submitter is a graduate student in good standing. *Papers co-authored with senior economists will not be considered.* The paper should be submitted at the conference website. The letter should be submitted electronically to marcelle.chauvet@ucr.edu. The winner will be announced during the conference.

Registration

Conference details will be posted on the IAAE's website:

<http://appliedeconometrics.org/>

and at the conference website: www.iaae2016.info

The registration fee to attend the conference before April 18th is:

Non-member of IAAE: 300 US dollars

Regular member of IAAE: 150 US dollars (registration to IAAE: 100 US dollars)

Student member of IAAE: 100 US dollars (registration to IAAE: 40 US dollars)
